PREAMBLE

In my few years in the ministry as a pastor, I have realised that one of the most important things and yet neglected by this generation is the practise of creating time to study the Word of God.

What food is to the human body is what the word of God is to the human spirit (pneuma). The word "pneuma" is the Greek word for human spirit. Without continuous feeding on God's Word, the human spirit will be weak and wimpy and cannot withstand or face the challenge of life.

Studying the Word of God must be number one priority in the life of a Believer. It is based on this im portance of God's Word in our lives that PNEUMA MEAL was developed to enhance the study habit of believers which guarantees alife of victory on earth.

CHIOMA RUFUS

Holy Spirit

My Leader

Rom 8: 14

For those who are led by the Spirit of God, they are the children of God.

LET'S EXPLORE

It's the right and not the privilege for every believer in Christ Jesus to hear the voice of the Holy Spirit. our lead scripture shows us that one of the ways to know a child of God is if the Holy Spirit is the one leading him

As you maintain a consistent prayer life and study of the word, it becomes easy to hear from the Holy Spirit and as you obey whatever he tells you to do, it becomes easier for Him lead you.

I am the vine, ye are the branches: He that abideth in me, and I in Him, the same bringeth forth much fruit: for without me, ye can do nothing (John 15:5)

The Holy Spirit is the spirit of the father in you showing you which way to go and guiding you into all truth. If you yield yourself to Him, you would have a beautiful Christian life. He is the best leader you can ever have.

Soul Winning

God's Delight

Mark 16:5

Go ye into the world, and preach the Gospel to every creature.

LET'S EXPLORE

A Shepherd who once had a hundred sheep was leading his flocks of sheep when one went missing. so he intentionally took the remaining ninty nine into a place of safety and went in search of that missing one. To onlookers and passerby, he should have continued his journey with the ninety nine, but every single one of them was important to him. This exactly how it is with God.

God loves the Children he has created so much that he would give anything just to stay in relationship with them. He always leave the ninety nine to find that missing one, thereby; giving hope to all unsaved persons.

Soul winning is therefore not an option but a command to every believer. Going into the world and preaching this good news to every race, every nation, our society and the world at large becomes an instruction for every believer. God is delighted when we do this. Don't relent!

You Have All You Need

Yield To The Holy Spirit

Psalm 74:12:

God is my king of old, working salvation in the midst of the earth.

LET'S EXPLORE

Christ laid the foundation for reaching out in his walk on earth, in his sacrifice and atonement for sin, and bridged the gap between man and His so, all true evangelism centres on Him. He is the good news.

The Holy Spirit makes evangelism successful. Man cannot do God's part of the work, therefore, all we have to do is to yield to him as instruments in his hands. No amount of hard work, education and experience can make you channel that love and light without Corporation of God's Spirit.

There is so much that has been done and so much activity taking place about preparing the way for souls to be saved. All that is needed to win souls has been given to us; his spirit resides on the inside of us and would teach us all things. Go all out and win souls to God.

Reward Awaits You

Do The Needful

Rev 22:12:

LET'S EXPLORE

Soul Winning is so important in the life of every believer. Romans 8:28: for we know that all things work for the good of them that love Him, and who have been called according to his purpose. This implies that winning soul is not without a reward. It is equally beneficial to win souls for Christ

People who engage in soul winning have been proven to be the happiest set of people in the world. The satisfaction that comes from being a soul winner is rewarding and they enjoy divine protection, they live in divine health, enjoy breakthroughs, divine beautification, wisdom and answered prayers.

I know you want to experience the divine presence of God. I know you want to see the sick get healed. Now, you really need to think and decide "is fear worth this reward"? Get to your feet and begin to do work, the rewards are real.

Don't Condemn People

Preach The Good News

Roms 1:16:

For I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone that believes.

LET'S EXPLORE

What God sent to us to preach is the gospel not sin. The gospel is good news. Therefore God desires we preach it as it is so called rather than preaching sin. There is no use complaining or condemning darkness, when you can do something about it. Rather, turn on the light.

Some believers go the extra mile of not giving unbelievers the opportunity to hear the good news. Rather than sharing the gospel which is good news, they just condemn them. This is a display of ignorance which could be a hindrance to the great commission.

Through the death, burial and resurrection of Jesus, the sinner has been made righteous. All the unsaved needs to do, is to hear this good news, believe and confess it then, he begin to enjoy God's kind of life

Come As You Are

Embrace His Love

Matt 11:2 GWT:

Come to me, all who are tired from carrying heavy loads and I will give you rest.

LET'S EXPLORE

This invitation from the Lord Jesus is to everyone regardless of how heavy, bad and messy your life might seem. He'll give you rest from the disappointment, despondency, or failure you've been through. It makes no difference at all, how terrible your circumstances are or how bad you've been.

Jesus dined with publicans, or sinners. He touched the leper and reached out to the ostracized in the town. He didn't leave anybody out. When the Pharisees accuse him of touching the unclean and dining with sinners, which by law was forbidden for a Jew to do; he ask them a striking question: Who needs a doctor: the healthy or the sick? I'm here inviting the sin-sick, not the spiritually -fit(**Mark 2:17 MSG**)

Maybe you are still engaging in unwholesome habits. I want you to know that God loves you unconditionally. And it is by receiving His love that you can be made free, because 2000 years ago, he set you free from your sin. just come as you are and embrace his love.

You Are Christ Representative

Connecting People To God

Mark 16:15

And He said unto them, Go ye into all the world. And preach the gospel to every creature

LET'S EXPLORE

As believers, we have been given the ministry of reconciliation. We are expected to connect people to God to Christ and make disciples. Don't ask why nobody is doing it; Go all out for lost souls. The scripture lets us know that: the righteousness is a tree of life; and he that winneth soul is wise(On 11:30)

We are representative of Christ therefore, wherever we find ourselves -at our place of work, in the bus, with our family memy, friends, neighbours etc, always find or create an opportunity to present Jesus to them. Never relent, make it your prime responsibility!

Sharing the Goodnews to everyone within your world should be a conscious, deliberate and consistent lifestyle otherwise; you are falling short of who you truly are-a representative of God! Keep spreading the gospel, keep connecting people to God.

For The Sake Of The Gospel

At All Cost

2Cor 6:2b:

behold now is the accepted time: Behold now is the day of salvation.

LET'S EXPLORE

Don't overlook on the casual about any opportunity you have to share the gospel. Create or cash in on any opportunity that presents itself to share the goodnews. You don't need to do is open your mouth and God will fill it like He said in **Psalms 81:10**.

Best let someone know that Jesus loves him. That's the reason he came to save the world. He came to save the lost; He didn't come for the righteous. You must let the world know that Christ came for them and that's because he loves them.

The easiest and most effective way to share the gospel is by consciously Making friends for the purpose of connecting them to Jesus Christ. Jesus demonstrated this with Samaritan woman. We must also emulate him. And this we must do for the sake of connecting people to Christ.

Send The Devil Packing

Stop The Devil's Rule

James 4:7

Submit yourself, then to God, resist the devil, and he will flee from you.

LET'S EXPLORE

Satan is the God of this world, so he has the right to rule on earth but not over anyone in Christ and that's because his rulership is over things of the world but we are of this world though in the world, so he has no control over us. **They are not of this world, even as I am not of this world (John 17:16)**

Since you are not under Satan's rule; it is therefore crucial that you don't allow others-your family members, friends, colleagues and neighbours remain under the claws of the devil. You have a part to play in making sure that these ones come to light. You can stop the devil's rule over their lives.

It is time to send the devil packing; it is time to mesmerise the devil and relinquish him from his rule over the world around you. Don't relent; preach the gospel in season and out of season; stop the devil's rule by massively preaching and evangelizing to all the unbelievers within and around your world.

Communicate The Good News

Be Bold And Sensitive

2 Tim 1:17:

God doesn't want us to be shy with gifts, but bold and loving and sensible.

🔍 LET'S EXPLORE

In old Testament, we saw how certain Bible characters such as Shedrack, Meshack, and Abednego, displayed outstanding boldness by withstanding King Nebuchadnezzar's orders even at the risk of being thrown into a fiery furnace. Consider David, who was a young boy. Yet, he fearlessly challenged and defeated Goliath.

These men knew they had right standing with God. Righteousness consciousness makes you bold, and this makes you unashamed and unafraid to stand up tall for Jesus. This is the secret of effective evangelism (knowing who you are and what you have in Christ; having the consciousness that you are backed by God Almighty)

Be sensitive to know when to communicate and extend the good news to people around you. Be bold to preach the Gospel. Let the world see Jesus through today.

Jesus died to give everybody a chance. Not everyone take advantage of this; but we have equal opportunity to enjoy the new life. if you preach to someone and they end up not receiving the life Christ or living the life. Do not get discouraged. Give thanks to God that you were able to.

Win Souls

By Not Compromising

Luke 22: 54-57:

LET'S EXPLORE

Compromise is deviation from the path of what is good and right -this Peter to deny the master three times exactly as he (Jesus) had warned him. He decided to hide his true identity for fear of death.

Christian history is soiled with terrible results that happen when Christians compromise crucial truths. No matter what we face, we must endeavour to live above compromise and stand firm, upholding what the word says.... **here are they that keep the commandment of God , and the faith of Jesus (Rev 14:12)**

We must shun every act of compromise because the world is looking at us. Your lifestyle can be all someone needs to come to Christ. Live in such a way that your life communicates the gospel. Jesus Took Your Blame

2Cor 5:21GWT:

God had Christ, who was sinless, take our sin so that we might receive God's approval through him.

LET'S EXPLORE

Form our opening scripture, you can see how God through Jesus came and took the blame of all your sin, shame and reproach. A lot of people are still blaming themselves for their wrong doing and lifestyle. The truth is Jesus has stepped into your place of shame, sin and blame. Jesus is saying "do not blame him/her, blame me". He proved this by offering himself as the sacrifice of our sin and ungodly life.

God through Jesus has taken the blame of all your erroneous choices in your life. He loves you regardless of your action. Your relationship with him isn't dependent on your action. But God put his love on the line for us by offering his son in sacrificial death while we were of no use whatever to him (**ROM 5: 8 MSG**)

The death, burial and resurrection of Jesus concluded the transaction God ever needed in order to have man reconnected back to him. And by reason of this, man is no longer condemned to sin and death. Man has been justified, purified and glorified.

Even when we were dead in sins, hath he quickened us together with Christ... And hath raised us up together and made us sit together in heavenly places in Christ Jesus (**Eph 2: 5-6**). We have been cleansed from sin and guilt and we now operate in the same realm as God.

But how will the world know if you don't tell them.... and how shall they believe in him of whom they have not heard? And how shall they hear without a preacher? (**Rom 10:14**)

Internal Life

Reigning In Life

John 10:10

I have come that they might have life, and that they might have it more abundantly.

LET'S EXPLORE

People today talk about enjoying life to the fullest. Everybody is talking about living the good life but what is the good life? The Bible teaches us that having the good life is having eternal life.

Eternal life isn't meant to start when you get to heaven. it can start today on this planet when you live your life on earth like you would if you were in heaven. Eternal life is the life of God originally designed for you to live- that's the good life. it is God's kind of life; a life that is incorruptible.

Jesus walked on this earth with the purpose of bringing eternal life to the lost and training us to reign with him. The things that he did and said we're structured around and pointed back to the kingdom of God. Having this life is what it means to have the good life; that's what it means to reign in life. Expect more from yourself than what you did in the past because your potential is there waiting to be harnessed.

Every time you think anything good about anyone, verbalize it. People cannot read your mind but your words can really lift them up and encourage them. All people need affirmation, especially those who have been emotionally wounded or hurt by someone.

We have more power than we realize we do. We can help people! Right words spoken at the right time have the power to heal. They are not just good for others, they are good for you. You experience joy in building others up. We are created by God to be a blessing

It is very possible to bless people with well-chosen words. Words like; "You look good". "You are doing great". "Your presence always encourage me". "I appreciate your effort". "I love you". These are simple ways we can be a blessing to others. God told Abraham, "I will bless you and make you a blessing". We are blessed in being a blessing. It is our year celebration!!!

Reconciling Men

Our Responsibility

2 Cor 5:19

... God was in Christ, reconciling the world unto himself, and hath committed unto us the word of reconciliation.

LET'S EXPLORE

We need to understand that it is our primary responsibility as believers, to reconcile the lost back to God. The gospel is the word of God of goodnews" because it is a message of love that brings hope to this dying world.

We should be moved with compassion when we see unbelievers we know that the wrath of God is coming upon the earth. We become selfish when we rejoice over the redemption of our souls and neglect the people around us that are not saved.

We have what the world is looking for and we are the hope of this world. It is important that we make soul winning our topmost priority. Jesus did not die for only your sin; he died for the sin of the whole world. It is his utmost desire that all men should be saved. But seek ye first the kingdom of God , and his righteousness, and all these things shall be added into you.

LET'S EXPLORE

One of the ways to prove that we love God is to promote his kingdom. Promoting his kingdom should be our ultimate goal in life. Evangelism is one of the ways of promoting the kingdom of God. The reason why we are saved is to save others.

Our Love for the kingdom of God will show in the way we prioritise. We should not relegate the kingdom of God because of our personal ambitions. Promoting the kingdom should be a lifestyle. People around us should know us as " Kingdom people/Christian ".

We should promote the kingdom in our homes, family, character, work place and even on social media. We promote the kingdom when we propagate the Gospel and live by kingdom principals. Every child of God should learn to seek God first. It is the pathway to greatness and fulfillment in life.

Be That Link

Matt 5:16

Let your light shine before men that they may see your good works and glorify your father which is in heaven.

LET'S EXPLORE

Any instrument that brings about positive change can be termed light. As the light of the world, the life you live should challenge others to adjust and view life from a different and better perspective. You will need to let go any lifestyle that contradicts God's word. Your light ought not to be hidden.

Rather than conforming to the world system and ideology, you ought to show people the way(Jesus), thereby, bringing about peace where there chaos and hope where there is nothing to look up to. As light dispels darkness, so you ought to impact your world with the message of love. (The Gospel).

You must develop yourself for the greater task ahead - the task of helping men embrace Christ through our words and conduct. The greatest impact you are ever going to make in life is in becoming the link through which multitudes come to the saving knowledge of Christ. Spread the light!

LET'S EXPLORE

Your yieldedness to the word of God is the hallmark of kingdom lifestyle. If you love the Lord, it will show in your reliance on his word. The Bible is not full of perfect men rather, from it you can see men and women who understood the different season in their lives and took advantage of it.

No one can possess all the qualities each Bible personality in the Bible had all at once rather, because of your yieldedness to God; you can manifest each quality needed for particular seasons as occasion present themselves. Be rest assured that God has equipped you to face any challenge or solve any puzzle you come across in the journey of life.

Submitting to Gods terms is the beginning of victory. If you know God, it will show in your character and all you do and people can attest to that. You will be ready at all times to say yes to God's ways and no to your ways. That's the route to victory!

God Goodness

Let It Flow Through You

Gen 12:2:

I will make you into a great nation. I will bless you and make you famous, and you will be a blessing to others.

LET'S EXPLORE

God is a giver and he expects us to be givers. We are blessed to be blessings. We must never allow the channel of blessing to stop at our door step. it's not everything that comes into your hand that is for your consumption. He needs you to be that channel your world needs to see, to know that God is indeed good to them.

One of the ways to find fulfilment in life is by putting smiles in people's faces. God wants us to have all things (to enjoy) but he does not want things to have us. There is no human being on earth that can out- give God. Nobody can boast that he first gave to God, because everything we ever had came from him.

When you give, you are not giving to help God but yourself. God created you as a channel through which his goodness will flow to others, but when you are withholding things, you re limiting yourself. One of the secrets of success is your ability to reach out to other people out of what God has given to you. Be the channel God uses.

LET'S EXPLORE

You have been called by God before the foundation of the world. He called you to glorify you in his son. The call of God upon your life is not something you merit; rather, it is an act of grace. You need to stop disqualifying yourself by acting as if you are not worth it.

When God called Moses and told him he was to be the deliverer of his nation (Israel), he couldn't see himself doing what God was asking him to do. He kept giving God reasons why he should not choose him for that assignment.

But I really appreciate God for one thing; our view of ourselves does not change his view about us. You have been called by God and your calling is unto glorification, not shame.

Make God Your Source

Triumph Sweatlessly

Matt 6:33:

But seek ye first the kingdom of God and his righteousness, and all these things shall be added unto you.

LET'S EXPLORE

A lot of people live all their lives pursuing after things like money, fame, relevance etc. Yet, when they are asked how far they've gone in getting those things, you will be shocked at their answer. They are still complaining about the same issue and unable to fix even simple things in their lives.

Maybe you have worked so hard to no avail. You have put in your best in what you are doing to the extent that you don't have time for God. On Sundays you go to market to sell. Every other day you work from Monday to Saturday. Despite all your efforts, you are unable to solve little problems that come your way: please permit me to introduce you the one that gives you sweatless triumph.

The truth is that, life without God is struggle. Until you are ready to seek God, life remains the survival of few tests. You are meant to live by grace. Make God your source today and every other thing will turn around to your favour in Jesus name, Amen.

LET'S EXPLORE

There is no better way to think in the current day in Nigeria than to focus on thinking solution. If our heart are open to see solution amidst the crises, then we will see solutions.

Therefore, it is imperative that we recognise who we are in Christ and how God has positioned us to fulfil destiny. You can know God's original intention for man from the book of Genesis as it has to do with all aspects of His life. There it says: *in the beginning God created* The action word created speaks of His attributes what God can do.

Genesis 1:26 portrays God as "extendable", meaning let us extend ourselves to man. Man is an extent of God and we share certain abilities with Him. God started a job of creation but did not complete it. He left the completion to man because we have been empowered to complete it. Man is a co-creator with God in all aspects of life.

 **LET'S EXPLORE**

If something is worth doing, then it's worth doing right! I heard a poem several years ago that gives the same sentiment: "Good, better is best". Too often, we let our environment, how we were raised or other people's expectation to affect us. Enough of this. It is time to be responsible.

God did not create you to be average or fit into the world's mould, You were created to make a difference. You were created to stand out, go beyond the norm and leave your mark on this generation. Don't allow your comfort zone to stop you.

Living an average life is like talking on a cell phone when it only has a couple of bars. It isn't receiving a very strong signal. The phone is operating but it cuts in and out of drops calls completely. God wants you to raise the bars In your life. Make sure to keep improving on what you do. Respond To The Word

Don't Draw Back

Heb 10:38

LET'S EXPLORE

As a Christian, your response to the word of God is very important. You wouldn't enjoy it's full benefits if you don't respond to it the right way. There's this set of people in the Bible called the Pharisees, they were rebuked by Jesus because they tried to make the word of God of no effect through their traditions.

There are these Berean brethren that received the Word with all readiness of mind, and searched scriptures daily. This should be the attitude of every believer towards God's Word, so it will produce fruits. The power of God in his Word is your guarantee for a great and excellent life

If you must develop your spirit and be trained on how to respond to God's Word right away, you must practice the Word of God. Practicing the Word of God is doing what the Word says to do no matter what your situation dictates. As you keep at it, you find that responding to the Word becomes natural and spontaneous.

Prosperity

My responsibility

Joshua 1:8

... then thou shalt make thy way prosperous, and then, thou shalt have good success.

LET'S EXPLORE

Your first step to enjoying the good life is in knowing that it is your responsibility to overcome poverty and lack in your life. One of the meanings of the word prosper is a progression or a journey, not necessarily a destination. God wants you to keep moving forward-moment by moment, year by year out of our limitations.

If there is any area of your life where you have not made progress in the past six months, then you're not prospering in that area. You need to do something about it, you need to change your approach otherwise, you become stuck and eventually drown.

You are to prosper in every area of your life—physically, mentally, emotionally, spiritually, and financially. Prosperity is not just an abundant supply of money, although it does include that. However, many in the world possess great riches and still don't find happiness. True prosperity is success in every area of life, including finding happiness. Like I said before, it is your responsibility to do so.

End Poverty

Stop Laziness

Proverbs 6:10-11

Yet a little sleep, a little slumber, a little folding of the hands to sleep. So shall poverty come as one that travelleth...

LET'S EXPLORE

Poverty (lack) is a major cause of man's agony on earth, a tormentor of humanity; agent of satan; gateway of sin, because with it, the devil frustrates people. Lack (poverty) breeds corruption, prostitution, frustration, suicide, diseases, sicknesses, untimely death, etc. Therefore, see it as an enemy, anti-human and anti-God!

Sleep is to enable man to be effective and efficient after a long day's work but must not become what you do very hour of the day otherwise, you are gradually calling poverty in and be rest assured your prayer and fasting cannot stop this until you decide to consciously lay your hands on something productive.

Laziness is a habit and until you unlearn it, it has within it the capacity to undermine your destiny and fruitfulness in life. End that habit before it ends your destiny. Refuse to be enslaved by laziness. You will never attain to greatness by being lazy. Engage your mind and overcome such attitude, it leads to perpetual lack.

Give thanks to God

Maintain the right attitude

2 Corinthians 9:6-8

Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously...

LET'S EXPLORE

From our lead scripture, it is clear that God is not only particular about what we do but the manner or the attitude in which we do it. He instructed the Israelites that whenever they want to offer a sacrifice of thanksgiving, it should not be out of compulsion but from a willing heart. One of the predominant attributes of successful people is that they are thankful. It is not a gift but a habit that we must consciously cultivate. **...in everything give thanks (1Thess. 5:18).**

Most times in life, we tend to focus on things that we are yet to get and neglect the things that have manifested in our lives.. We must never take our eyes off the things that God is doing. Ingratitude will hinder our advancement in life but being grateful at all times keeps the portal open for more things to come.

It does not matter what you are going through right now, the Word of God tells us to give thanks. One good thing about being a child of God is that irrespective of what you are going through, you already know the end-the end is always glorious!

Ephesians 3:1

Blessed be the God and father of our Lord Jesus Christ who has blessed us with all spiritual blessings in Heavenly places in Christ (Ephesians 1:3).

LET'S EXPLORE

The word, "blessed" means empowered to prosper as a result of having God's favour bestowed upon your life. Whenever God blesses, He blesses a person down to his generation. So every blessed man has generational blessing.

You are empowered to prosper, not to fail. When God created man, there was no provision for sickness or poverty, not even for healing because man was not meant to be sick; God didn't create sickness. Along the way, the devil introduced sickness, poverty and sin. This was not part of God's original plan. The only thing that was known was the blessing.

Nothing created by God has the capacity to dominate you. Not even sin, habit, or sickness can dominate you because you have dominion. God has poured out His blessings on you already. It's now your responsibility to make it manifest because you are already blessed.

You don't need to wait for God to change your situation; everything you need to do so is in the Word. Jesus has done His part. You were created in God's image and after His likeness, you have all His creative abilities in you; you have wisdom, you have His authority, you have His Spirit- the same Spirit that raised Christ from the dead resides in you.

You are not a creature of chance or mistake. God was very intentional while creating you. God had already determined what you were going to be before He created you (**Eph. 1:4**), and deposited in you everything you will ever need to fulfill purpose in life.

Possess your possession

Be responsible

Romans 8:17 NLT

And since we are his children, we are his heirs. In fact, together with Christ we are heirs of God's glory. But if we are to share his glory, we must also share his suffering.

LET'S EXPLORE

Our opening scripture says you are no longer servant but a son-an heir of God. Sons are known to take responsibility. They know their right and what belongs to them. They are not cowards but are very bold to exercise their authority. In Christ, Sons are possessors of their inheritance. They reign over what Jesus has set them free from.

For every of your inheritance in Christ, there is a "man-ward side" and a 'God-ward side" to fulfill. If the "man-ward side" isn't accomplished, that Word will not become a reality in your life. For instance, Jesus died for all mankind, but not all mankind is saved. To be saved, a person believes in his heart that Jesus rose from the dead and releases his faith with his mouth by confessing Jesus as His Lord and saviour (Romans 10:9).

You see, the issue is no longer what God can do for you. He has already provided for every need. Just as surely as Jesus died on the cross, so our sins could be forgiven, He also died on the cross so you and I could be redeemed from the curse of poverty. Now the issue is what you and I must do to be more than conquerors. Do not wait for a moment again. Begin now to possess your possession in Christ. Go for everything that belongs to you.

**Procrastination is disastrous**

Use time wisely

Ecclesiastes 3:1

There is time for everything...

 **LET'S EXPLORE**

One of the ways to be intentional about life is to use our time wisely. Those things you are planning to do tomorrow, are they things you can do today? You need to know that God has given you time so that you can use it to fulfill His purpose for your life. Procrastination is the foundation of all disasters.

How you decide to use time on a daily basis will determine the results that you eventually get. There are things that you can only do now and you must take cognizance of them. Remember that it is your investment today that will determine your tomorrow. If you cannot organize your time now, it will affect you adversely in the future.

Do the right thing at the right time. Eliminate time wasters and focus on important things. You know the things you are doing that are not leading you to your goals and objectives in life. Get rid of them. Now is the time to plan and do the things that you are supposed to do. Be conscious of time at your disposal and use it wisely.

The way you think determines how successful you would be. Our anchor scripture says "the way a man thinks that is the way he is". You are where you are today based on what you have been thinking in the past and your future is determinant on the way you are thinking today.

We can control what we are thinking and the way we can do that is to expose ourselves to the right knowledge, the right people and the right environment. The things you listen to, the people you surround yourself with and the places you go to.

God has made everything available that you would ever need to be successful but you must think in line with His Word to make that success a reality. If we must live a successful life, we must be conscious of our thought-life. The Word of God is the source of right thinking.  **LET'S EXPLORE**

A believer should not be talking carelessly because words are expensive. Your angel is always at your side waiting for something you will say that he can carry out and the enemy is always lurking around looking for something negative that you will say so that he can do likewise.

Words are little things that produce very big results; you need to be careful and intentional about the things you say because at every point in time, you are speaking life or death, faith or fear, health or sickness, success or failure. Your words are triggers that set things in motion in the realm of the spirit which eventually manifest in the physical.

It does not really matter what is facing you right now, speak what you want to see happen. Do you know that you are a king and that your words carry power? Do you know that when you speak, nothing can stand your words? This is the mindset you should have at all times. **Gratitude to God**

For what He has done in Christ

2 Corinthians 2:14

...thanks be to God who always causes us to triumph

LET'S EXPLORE

One way to multiply what God is doing in your life is to be grateful and this isn't just being grateful for material blessings but more for spiritual blessings. Without spiritual blessings, you can't manifest material blessings. Don't just focus on material things, the most important thing you should be grateful to God about is the work Jesus did on the cross of Calvary, without which nothing else is meaningful.

Material blessings can be lost all in one day and that's because they are temporal therefore, not meant to last but spiritual blessings are eternal-they outlast this earth. **"...for the things which are seen are temporal but the things which are not seen are eternal" (2 Cor. 4:18).**

If all you can thank God for is material things, you are limiting God. We are meant to thank God always for all He has done for us in Christ and that's key! You ought to also thank Him for the simple things He does for you-driving, walking, eating, mercy, grace... As you cultivate the habit of thanksgiving, your life appreciates.

..Incline your ears to the Word

 **LET'S EXPLORE**

We talk about faith all the time but do we really know what it is? Now faith is the substance of things hoped for, the evidence of things not seen (**Hebrews 11:1**). In other words, faith gives substance to the things you are hoping for. It is a knowing down in your heart that what you've prayed about is going to happen irrespective of the obvious.

Faith is what you hold unto until you receive what you're believing for. Faith is right believing. It's believing what God says rather than believing what somebody else says. It's believing the truth about the Lord instead of believing somebody else's opinion about Him. Faith is all you need to pull through in life and be successful.

Faith is the response of the human spirit to the Word of God. This is the reason you must make practicing God's Word your first priority. Be enthusiastic about practicing the Word, be instant and prompt to do the Word. You must take God at His Word and be intentional about it. Don't give room to doubt.

 **LET'S EXPLORE**

Your yieldedness to the Word of God is the hallmark of Kingdom lifestyle. If you love the Lord, it will show in your reliance on His Word. The Bible is not full of perfect men rather, from it you can see men and women who understood the different seasons in their lives and took advantage of it

No one can possess all the qualities each bible personality in the Bible had all at once rather, because of your yieldedness to God; you can manifest each quality needed for particular seasons as occasion present themselves. Be rest assured that God has equipped you to face any challenge or solve nay puzzle you come across in the journey of life.

In (**proverbs 31:30**), the Bible say...but a woman that feareth the Lord, she shall be praised. This scripture can apply to both male and female. Submitting to Gods terms is the beginning of victory. If you know God, it will show in your character and all you do and people can attests to that. You will be ready at all times to say yes to Gods way and no to your way. That's the route to victory!

Don't draw back

Hebrew 10:38

 **LET'S EXPLORE**

As a Christian, your response to the Word of God is very important. You wouldn't enjoy its full benefits if you don't respond to it the right way. There is this set of people in the Bible called the Pharisees; they were rebuked by Jesus because they tried to make the Word of God of no effect through their traditions.

There are these Berean brethren that received the Word with all readiness of mind, and searched scriptures daily. This should be the attitude of every believer towards God's Word, so it will produce fruits. The power of God in His Word is your guarantee for a great and excellent life.

If you must develop your spirit and be trained on how to respond to God's Word right away, you must practice the Word of God. Practising the Word of God is doing what the Word says to do no matter what your situation dictates. As you keep at it, you find that responding to the Word becomes natural and spontaneous.

**Poverty is not for you**

Believe it

2 corinthians 8:9

 **LET'S EXPLORE**

Our inheritance as sons and daughters of the King of kings is a life free from want and poverty as stated in Ephesians 1:18 ...the riches of the glory of his inheritance in the saints. Though God does not advocate poverty, yet, many Christians are still living in abject poverty. The reason is simply because of their mentality-they are poor in their minds.

God owns everything that you will ever need. He has more than enough and all these He has willed to you through the person of Jesus Christ. It does not please Him to see you beg or lack any good thing. Poverty is not godly, and it certainly isn't biblical. God wants you to open your eyes to see the blessings He has in store for all those who love Him.

This is the right time for you to renew your mind, by believing what God's Word holds for you. Refuse to accept what the world system wants you to believe. Don't tolerate the offer from your own experience or situation and dare to believe God now.

**What do you do with your faith?**

James 2:14

...faith without works is dead

 **LET'S EXPLORE**

It is important to note that everyone has faith. You use your faith every day, whether you realize it or not. When you sit down in a chair, you have faith that the chair will support you without falling over. When you turn on a light switch, you have faith that the lights are going to come on.

Each of us has the measure of faith God has given us. Maybe you feel like your faith isn't great, big or powerful. But you have all the faith you are ever going to need. It is not how much faith you have, but it's what you do with the faith that can make the difference!

Bible faith comes by hearing the Word of God. **Romans 10:17 (NJKV)** says: Faith comes by hearing, and hearing by the Word of God. In other words, The Word of God has to be preached before the faith you have in your heart can rise up and go up to God. And the more you feed your faith on God's Word, the stronger it can become. Then, to grow your faith, make this devotional your companion, read books and listen to messages.

 **LET'S EXPLORE**

A lot of people live all their lives pursuing after things like money, fame, relevance etc. Yet, when they are asked how far they've gone in getting those things, you will be shocked at their answer. They are still complaining about the same issue and unable to fix even simple things in their lives.

May be you have worked so hard to no avail. You have put in your best in what you are doing to the extent that you don't have time for God. On Sundays you go to market to sell. Every other day you work from Monday to Saturday. Despite all your effort, you are unable to solve little problems that come your way: please permit me to introduce you the one that gives you sweatless triumph.

LET'S EXPLORE

God said in **Genesis 1:26**: Let us make man in our own image, after our likeness; and let them have dominion... There is no better way to think in the current day in Nigeria than to focus on thinking solution. If our hearts are open to see solution amidst the crises, then we will see solutions.

Therefore, it is imperative that we recognize who we are in Christ and how God has positioned us to fulfill destiny. You can know God's original intention for man from the book of Genesis as it has to do with all aspects of His life. There it says: in the beginning God created. The action word created speaks of His attribute-what God can do.

Genesis 1:26 portrays God as "extendable", meaning let us extend ourselves to man. Man is an extension of God and we share certain abilities with Him. God started a job of creation but did not complete it. He left the completion to man because we have been empowered to complete it. Man is a co-creator with God in all aspects of life. We are called to share in God's creative abilities. So, when you see things you don't like, create what you like because right within you is that ability.

 **LET'S EXPLORE**

If something is worth doing, then it's worth doing right! I heard a poem several years ago that gives the same sentiment: "Good, better, best, never let it rest, until your good is better and your better is best". Too often, we let our environment, how we were raised or other people's expectation to affect us. Enough of this. It is time to be responsible.

God did not create you to be average or fit into the world's mould. You were created to make a difference. You were created to stand out, go beyond the norm and leave your mark on this generation. Don't allow your comfort zone to stop you.

Living an average life is like talking on a cell phone when it only has a couple of bars. It isn't receiving a very strong signal. The phone is operating but it cuts in and out or drops calls completely. God wants you to raise the bars in your life. Make sure to keep improving on what you do. That way, you remain constantly relevant.

 **LET'S EXPLORE**

Creativity-ability to create solution and solve problems is not exclusive reserve for entrepreneurs, God created all of us and we share His image and likeness. We can only be fulfilled in life when we think solution. When we think solution and solve problems, we are thinking like God.

In Genesis, God saw a huge problem; He proffered solution headlong in the midst of darkness. There is an aspect of that part of God in you. You need to see yourself as an extension of God with His abilities at work in you.

Real life is about problem solving; real life is about creativity; real life is about thinking possibility; Real life is about creating solution. That's how God wants you to live. He intends that we see solution in every problem and find a solution/way around it. Don't give up on issues no matter how surmounting they are. Think through, think a way, think solution.

Whether we like it or not, we are in relationship with one another. Everyone surrounding you is a wealth carrier; they are great men and women in disguise. There is a reason why they are in your life. God is intentional with anything He does. No relationship is by accident, they have something to do in your life.

You may never get to talk to some persons but they are doing a lot in your life—they are influencing you greatly. We have to look at the way we value people. God's gift (Jesus) to humanity demonstrated how much He loves us. We are meant to value every relationship that comes our way.

You must change the way you see people around you; see them as people that have something to offer. Just like you, they are fully loaded with potentials.  **LET'S EXPLORE**

Be it poverty, sickness, obscurity or addiction; there is no situation that is not covered in God's Word. There is no situation so bad that it cannot be handled. The Word of God will always proffer solution. The Word of God does not give room for impossibility. If you lack answers, then it's either you have not searched the Word for a solution or you have a challenge believing.

Jesus said unto him if thou can believe, all things are possible to him that believeth (Mark 9:23). The challenge is not if the answers to your questions are available, the challenge is, if you can believe what the Word of God is saying concerning that circumstance. Nothing is impossible to a man that believes.

If you think you can, then you can! All you need to do is to reposition your mind from thinking impossibility to thinking and believing possibility. Just stop and say this to yourself: "there is no place for impossibility in my life because truly there is no place for it!" Open your heart and begin to see the brighter side of life. LET'S EXPLORE

Challenges are a part of our everyday life. They are unavoidable. The Word of God says that, man born of a woman is of few days, and full of trouble (**Job 14:1**). These challenges are not meant to destroy you but to bring out the best in you.

They are a signpost to testimonies. That means anytime you see anything like an obstacle before you, be excited because you know it would work out for your own good.

But it would not just happen automatically. For you to overcome challenges, you must have enough of God's word on your inside, and the availability of that by your lips always, ready to speak it out. The quality and quantity of God's Word that you have in your spirit man is what will determine whether you would overcome the challenge or it would overwhelm you. If you are going to experience new things in your life or record ground breaking testimonies, you must be willing to take bold steps. Stop waiting for everything to align before making advancement.

LET'S EXPLORE

The spiritual realm of this world controls the physical. Nothing happens in the physical without first of all taking place in the spiritual. Man is a spirit that has a soul and lives in a body. The soul of a man is an invisible part of him where he exercises his will, emotions and thoughts.

Our lead scripture admonishes us to renew our mind because whatever is settled in our mind will be our everyday experience. Love Is The Greatest

priceless value

1Cor 13:2

... I may even have enough faith to move mountains. But if I don't have love, I am nothing.

LET'S EXPLORE

Loving God and others is what life is really about. No matter who you are or what you do, it comes down to whether you'll live a life of love or not. One is priceless and the other is meaningless.

Love is the most important ingredient to any meaningful relationship. Your quality of life is directly tied in the amount of love flowing in you and through you to others. Though it is often overlooked, love is more valuable than riches, fame, or honour. They will pass away, but love will always remain.

The absence of love leaves a devastating void. When it is not present, your spirituality becomes superficial, your kindness; self centered, and your sacrifice; insincere. In any relationship where love is not the motivation, you can expect to feel unfulfilling. When Jesus was asked to identify life's greatest command, he summed it up; **to love God with all you are, to love those around you as yourself.**

Your Relationship

make it work

Eph 4:32

And be ye kind to one another, tender-hearted forgiving one another....

LET'S EXPLORE

Relationship plays a vital role in the way a person's life eventually turns out, as a result, God so desired that he/she lives with others in harmony and peace. Relationship requires work because it involves a lot.

As you wake up from sleep to when you go back to home, you would have related with so many persons, some deep, others casual. Whatever the case, you were involved in some kind of relationships.

You must be intentional about how you relate in order to avoid strain, burn out or breakdown. To some, they have decided to absorb the pain, rejection and shock that comes with relating. For others, they decide to give their relationship the best and get the best out of it. whatever yours is just make sure to be consistent and intentional about it as long as it works. You can make your relationship work.

You are a Solution

The world needs you

Matt 5:14

Ye are the light of the world; a city that is set on an hill cannot be hid

LET'S EXPLORE

It is important that we always remember who we are in Christ. The day we received the life of Christ, we became one with Him. Christ was a problem solver when He was on earth and that is who you are now because you are in Him. As He is, so you are in this world.

The primary way to shine your light and be a problem solver is to move forward from where you are right now and start serving people around you. Do you know that whenever you deploy your gifts to be a blessing to others, you are also indirectly blessing yourself? This is true because whatever you make happen for others, God will make happen for you. Have you won a soul for the kingdom?

Men like David, Joseph, Daniel were all problem solvers and they all had good testimonies for generations to come, but they never stayed where they were. They took bold steps, confronting their confrontations and made drastic trans-generational difference. These differences they made transformed into souls won. Sometimes the testimonies or good things we want to see happen in our lives will only happen when we begin to seek for avenues to be a blessing to the world around us. The entire world is waiting for your manifestation. Move! Win souls and show the souls you have won.

Reign by the Word

Give it first place

Rom 5:17

For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ

 LET'S EXPLORE

Our lead scripture tells us that we are meant to reign in life because of the abundance of grace and the gift of righteousness that we have received. To reign means to rule or to be in charge.

However true this is, it is not the experience of most believers. One of the reasons for this is because sometimes we are trying to reign by other means instead of the Word. The Word of God is to take first place in our lives. We must learn to absolutely depend on the Word and not treat the word like just another option. Sometimes we only resort to the Word after every other thing has failed. Let it be the very first and only consultant.

If ye abide in me and my Word abides in you, ye shall ask what ye will, and it shall be done unto you (**John 15:7**). Everything is possible to you if you can only allow the Word to settle in your spirit. Everything you desire in life is embedded in the word of God. It is the word of God that is the compass with which you will navigate your way forward from where you are standing to where you ought to be in life. Neglect the word, you will not reach your destination in one piece. Make the word of God first in your life, you will be loaded with so much benefits.

The harvesters are paid good wages, and the fruit they harvest is people brought to eternal life. What joy awaits both the planter and harvester alike! (NLT)

 **LET'S EXPLORE**

Do you know that sharing the Gospel is the Work of God? Each time you tell someone about Jesus, you are doing the work of God and God does not use people, He rewards people that carry out His commandments.

Our lead scripture tells us that “the harvesters are paid good wages and their fruit is the people they bring to eternal life”. As a child of God, you need to make it a conscious duty to reconcile people to God on a regular basis. God does not wait until you get to heaven before He pays. Your pay begins here on earth before heaven. After all, we are expected to be fruitful and to dominate the earth.

Preaching the Good News is the responsibility of every believer. But it does not end there. God also releases His blessings upon us when we embark on evangelism. Decide today to be a promoter of God's Kingdom and watch how you become the centre of attraction.

LET'S EXPLORE

It is one thing to be a Child of God and it is another thing to understand His love. The Love of God is a strong force that breaks barriers. When you know the love of Christ, the challenges of this life will be nothing in your eyes.

So many believers go through life looking like people without a Father. God is your Father and His name is Love. He loves you unconditionally and He wants to meet your everyday need. But it is your responsibility to abide in His Love. Keep yourselves in the Love of God, looking for the mercy of our Lord Jesus Christ

Gal 6:10

LET'S EXPLORE

As a Child of God, you are also a child of Love and the number one attribute of love is giving. Anytime you see a need that you can meet, do not hesitate to do so. Our lead scripture makes us understand that is an opportunity to be in a giving position.

One of the reasons why God wants you to give is because He knows that giving makes resources available to you in abundance. God cannot lack anything because He is the greatest giver. Nobody has ever and will ever give more than God.

When you give, you act like your Heavenly Father and this makes Him happy and opens you up to more. Even though we know that our primary reason for giving is not to get, we are still sure that whenever we give, it comes back to us in abundance.

Cherish His Presence

Cultivate The Attitude

GEN 39:2.

And the Lord was with Joseph, and he was a prosperous man; and he was in the house of his master the Egyptian.

LET'S EXPLORE

Joseph's life is an example of the importance of cultivating the presence of God. Our lead scripture tells us that he was a prosperous man because he had the presence of God with him. This is something that is worthy of note.

Right from when Joseph was in his father's house, to when he was betrayed by his brothers, to when he was sold for slavery, to when he was put in prison until he became a prime minister, he had a positive attitude. His life is worthy of emulation today. Joseph never acted outside the presence of God. Among his brethren, he was the only one who could GO FORWARD! Even in the midst of challenges that could make him withdraw and pull back.

Against all odds, he kept pushing and moving ahead- dream after dream, again and yet again. One of the ways we can cultivate His presence is to maintain a positive attitude in the midst of crisis. We should always be careful about how we respond to challenges. Let your conversation be without covetousness; and be content with such things as ye have: for he hath said, I will never leave thee, nor forsake thee (**Heb. 13:5**)

Thanksgiving

Show Gratitude 

1 Thessalonians 5:16-18

Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.

LET'S EXPLORE

There is a device of the enemy that every child of God needs to be aware of. The devil perpetrates evil and tempts you to accuse God for what he (the devil) has done. He hides behind the scenes of his evil and tries to make you feel like God is not faithful. Have you said, "Thank You Jesus" today?

We need to know how to always respond to the devil whenever he comes with his tricks because that is all he has got. He would never open your eyes to the things that God has done, is doing and would do in your life. He will always be pointing you to what has not been done. Do not be ignorant of his gimmicks. God is faithful. Count your blessings, name them one by one. Whenever the devil shows you what has not been done, show him what has been done. Our God is mighty to save.

Remember, thanksgiving is the key to fulfilling prophecies but if you are not thankful for the previous level, you won't see the next level. A thankful person feels more contentment and joy and doesn't dwell on negative things. Make gratitude, thankfulness and appreciation an attitude, a perspective and a way of life. One major cure to rise and fall syndrome is being thankful to God.

Demonstrate Your Victory

Live In The Miraculous

ROM 8:37

Nay, in all these things we are more than conquerors through Him that loved us.

LET'S EXPLORE

One of the beautiful things about our Christian Faith is the fact that we are declared victors without partaking in a battle. We enjoy the fact that someone else fought a battle and we can claim the victory. Isn't that beautiful? However, in the real sense we fought the battle in Christ.

Living in the miraculous is non-negotiable for a believer. Without Christ, no one can stand the devil. Christ knew that He alone could defeat Satan on our behalf, so He defeated him and gave us the victory. It is important that we understand this very truth, for this purpose, we have to demonstrate this victory of ours by living in the miraculous.

When challenges or crisis come your way in form of sickness, pains, it is not time to fret. It is time to express the miraculous, it is time to remember what Christ has done on your behalf. There is nothing Satan has done, is doing and would do that can match what Christ has done. This is what you should do when the devil comes knocking: demonstrate your victory through praise. You are more than a conqueror.

The King In-Charge

Leadership by example

Pb 11:14

Where no counsel is, the people fall: but in the multitude of counsellors there is safety

LET'S EXPLORE

You were created in the image and likeness of God with full deposit of leadership and kingship potential and the responsibility that goes with it, but while the whole world is waiting for your manifestation, only very few individuals realize this, as a result, our nations, societies, and communities are suffering from an astounding leadership void.

Where are the genuine leaders, who lead by serving? Where are the individuals who are willing to take responsibility for the present situation and conditions in the world? Who is willing to accept the challenge, to face it head-on with integrity, character, and a commitment for a better world? It is only that one who has unmasked the king in him, and has taken up leadership responsibilities by folding up his sleeves to serve. Serving because he has chosen to be the useful wood that is 'work-in-progress,' than the useless gold which lies dormant.

While our homes are crying out for leadership, our youths are begging for leaders. Whereas the church is affected from the absence of leaders, our governments are being undermined because of lack of leaders. Now our communities need positive role models, our children need fathers, and our world needs direction. From all over the world, there is a desperate need of true leaders. Therefore, as we celebrate Kingship today, I urge you- you that have unmasked the King in you, to be In-Charge by folding up your sleeves, kill ego, step into the center, take up service responsibility and lead by serving because if you are not serving as a Christian, check it- it's either you haven't come to the reality of your personality or you're just joking. **Act Your Faith**Grow It By Using It. **JAMES 1:22**

"But be ye doers of the word, and not hearers only, deceiving your own selves."

 **LET'S EXPLORE**

Some people think God is responsible for the misfortunes that people face. Somebody might scream out to say, "I'm out there serving God, working for Him every day; yet, He allowed the devil kill my baby." This can't be true. God is not responsible for evil or mishaps that people experience; it's not consistent with His nature.

Life is spiritual and you're responsible for your life-the things that happen with you. It's about your faith and how you use it. Jesus said in Matthew 17:20, "...If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you." The question about this is, what are you doing with your faith? How are you putting your faith to work? Using your faith to deal with the crises of life every day is your responsibility. Doing the Word is the key. You act your faith by doing the word. You live in the miraculous by putting your faith to action.

The life of faith given to us is not a deception. You cannot allow the devil tie you with afflictions-near success syndrome, long standing issues and all-round failures when you should be gratifying in wealth and health. Keep growing your faith by increasing your knowledge of the Word. Miracles still happen.

As we move forward, we should be cautious of our company as this may be a hindrance to discovering our potentials. Potentials are unique treasures in our custody, it is our duty to discover, develop and distribute them to help us touch lives and change our world.

Your Words Reveal You

Confession Brings Possession

MATTHEW 12:37

For by thy words thou shalt be justified, and by thy words thou shalt be condemned

LET'S EXPLORE

What kind of words come out of you and where do you get them from? Why do you say the things you say? These are critical questions for you. As a Christian, you ought to always examine your life, especially with respect to your words, because your words locate you; they reveal your character. You are the character of your words. A lot of persons have used their choice of words to confess and construct a life of destruction for themselves. God never said anything negative even though the whole world was in darkness, He rather spoke light.

Your speech is the true measure of your maturity as a Christian: "...And if anyone does not offend in speech (never says the wrong things), he is a fully developed character and a perfect man..." James 3:2 AMPC) Your choice of words will either take you forward or backward. Whatever you confess with your mouth, you possess. In the world, it is, "Seeing is believing." But in the kingdom, it is, "Speaking is believing, and believing is seeing."

Man is a product of words and our life goes towards what we have spoken, seen and heard. By our words, our lives steer us towards directions we don't have control over except through positive confessions with same tongue and words. Haven't you imaged how everything in this world came to existence through words? And God said and it came to be. God never said negative

Your Breakfast Worship Counts

Romans 8:26.

Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit Himself maketh intercession for us with groanings which cannot be uttered.

LET'S EXPLORE

When you don't know what to do, what to pray for or how to go about a certain situation, give way for the Holy Spirit to step in. God gave us the Holy Spirit to guide us in all situations of life. When it comes to dealing with everyday challenges, the same Holy Spirit stand in the gap (intercedes) for us as we read in our lead scripture. He takes over in our behalf.

There are times you may be confronted with so many predicaments that you wonder, "How am I supposed to pray about all of these challenges?" The truth is, if you decide to pray about every challenge or issues around you one after the other, you may spend eternity on your knees because you may not even remember all of them. But the good news is, God doesn't expect you to carry your own burden. He said in 1 Peter 5:7 "Casting all your care upon him; for he careth for you."

You can only relate well with the Holy Spirit when you have a standing intimacy with Him. How often do you have time for Him and spend time with Him, for communion, for interaction, for fellowship, for heart to heart? Your daily Breakfast Worship counts. It matters a whole lot. Effective intimacy with the Holy Spirit begins from your altar of Breakfast Worship.

Whoso offereth praise glorifieth me...

 LET'S EXPLORE

Whenever people hear “thanksgiving,” what comes to their mind is usually thanksgiving offering, which is good. God expects us to thank Him with our offerings, but thanksgiving is much more than giving your offerings; it ought to be a way of life. This is the faith-attitude. This alters medical negative conclusions, this alters academic instability, this alters financial uncertainty.

When was the last time you gave thanks for something you realized you needed, without having to ask God for it? That's the life you ought to be living as a Christian. Cultivate the lifestyle of thanksgiving. All things are yours already; therefore, when you think there's something you require, give thanks to God for it, because you know it's yours already. Health is yours, just give thanks. Children are yours, just give thanks. The contract is yours, just give thanks. Prosperity is yours, just give thanks. It is a culture. This activates your faith.

Jesus prayed on several occasions but most times in gratitude to the Father. When faced with dead Lazarus, He gave thanks. He said, “...Father, I thank thee that thou hast heard me” (John 11:41). When faced with the feeding of the five thousand, Jesus said, “And Jesus took the loaves; and when he had given thanks, he distributed to the disciples, and the disciples to them that were set down; and likewise of the fishes as much as they would” (John 6:11)

Pray With Focus And Clear Direction

Be Specific

PHIL 4:6

Do not fret or have any anxiety about anything, but in every circumstance and in everything, by prayer and petition (definite requests), with thanksgiving, continue to make your wants known to God.

LET'S EXPLORE

One of the challenges that many have with prayer is the lack of focus. When you pray, you must have focus. In prayers, focus your attention on the Lord and be conscious of what you're praying about. Some people pray about so many things, and a moment later, they don't remember what they prayed about. If you don't remember what you prayed about, how would you know when God answered?

Same way you should be specific in your thanksgiving unto God, I urge you to be specific in your prayers. If there're things you're concerned about that you'd like to pray about, write them or make a mental note of them when you pray. Then as you pray, receive and operate in the Miraculous. It's your season.

What God wants is that you express your faith in specific terms. Faith makes you a possessor. When you have made your definite requests of the Lord, rejoice and give Him glory, knowing that it is done. "Therefore I say unto you, what things soever ye desire, when you pray, believe that ye receive them, and ye shall have them" (Mark 11:24).

Do you think God doesn't know that you have a pain in your body? You think He doesn't know that you've been experiencing miscarriages or that you're behind in your bills and debts, or that you have just been fired, or that the fibroid is troubling you, or that your marriage/relationship is hitting the rock real hard? He's aware. But He wants you to change things! You have a weapon, an instrument; the Name of Jesus! Use it to effect a change in your body, in your finances, and any other area of your life.

If as a Christian, you find that you're always crying and begging God in prayer for your needs, you're not living in the Name of Jesus. We don't beg in His Name. God's power is available always to save, heal and transform lives; but it only works for those who believe. 2 Cor 5:7 "For we walk by faith, not by sight". John 14:1 "Do not let your heart be troubled; believe in God, believe also in Me."

Some people wonder why we need to pray for God to intervene in certain matters. "Can't God just heal everybody in the world? Can't God save everybody in the world? They fail to understand that God needs our permission to do things. Yes! That is why we pray and act by faith to appropriate miracles and healings. For the miraculous to take place, you must first believe and then allow God step in. your confession is needed.

If Jesus said, "All things are possible to him that believes," It means, fibroid can be dissolved and ovarian cyst can be healed. It means, tuberculosis can be healed and bone related issues can be resolved. It means eye deformity (partial sight, blurry sight, long/short sightedness and every eye related issues) can be corrected and long standing issues can be sorted. It means internal organ dysfunction can be reset and the barren can become fruitful. It means that marriage can still work (age not withstanding and misunderstanding in the home not withstanding) and irregular flow can be corrected. Don't overlook on the casual about any opportunity you have to share the gospel. Create or cash in on any opportunity that presents itself to share the goodnews. You don't need to do is open your mouth and God will fill it like He said in Psalms 81:10.

Best let someone know that Jesus loves him. That's the reason he came to save the world. He came to save the lost; He didn't come for the righteous. You must let the world know that Christ came for them and that's because he loves them.

The easiest and most effective way to share the gospel is by consciously Making friends for the purpose of connecting them to Jesus Christ. Jesus demonstrated this with Samaritan woman. We must also emulate him. And this we must do for the sake of connecting people to Christ.

Give People A Second Chance

Don't Get Discouraged

Gen 26:12:

Then Isaac sowed in that land and received in the same year a hundred fold: and the Lord blessed him.

LET'S EXPLORE

Don't relent in investing in people's life; don't wait for God to say so because he has already, when he said; Go ye into the world and preach the gospel;

Remember, God made an investment in you, and he wants you to be willing to make an investment in somebody else.

Jesus died to give everybody a chance. Not everyone take advantage of this; but we have equal opportunity to enjoy the new life. if you preach to someone and they end up not receiving the life Christ or living the life. Do not get discouraged. Give thanks to God that you were able to.

Never allow anyone to stop you from doing good. There is reward that awaits you. God is a God of second chance. Give people a second chance, no matter if they seem to have messed up with your first attempt in reaching out to them. The Holy Spirit will always prompt you to do so; you never can tell; this time, they could turn out a good leaf.

You Have All You Need

Yield To The Holy Spirit

Psalm 74:12:

God is my king of old, working salvation in the midst of the earth.

LET'S EXPLORE

Christ laid foundation for reaching out in his walk on earth, in his sacrifice and atonement for sin, and bridged the gap between man and His so, all true evangelism centres on Him. He is the good news.

The Holy Spirit makes evangelism successful. Man cannot do God's part of the work, therefore, all we have to do is to yield to him as instruments in his hands. No amount of hard work, education and experience can make you channel that love and light without Corporation of God's Spirit.

There is so much that has been done and so much activity taking place about preparing the way for souls to be saved. All that is needed to win souls has been given to us; his spirit resides on the inside of us and would teach us all things. Go all out and win souls to God.
